A Year In Business

WALTER LESTER
Owner of the Cameron
Seed & Insecticide Co.

W. LESTER OBSERVES 1ST ANNIVERSARY HERE

Walter Lester, owner of the Cameron Seed & Insecticide Company at 403 West 8th Street in Santa Fe Town, is celebrating his first year in business.

Friday and Saturday, October 31 and November 1 Mr. Lester is making special discounts on all seeds and other items in this unusual store. He is doing this to express his appreciation for the patronage that has made his first year a grand success. "I just want to thank everybody for their share in our first year's success," said Mr. Lester, "for it has been both a pleasure and profitable engagement during the past 12 months. A year ago on November 2 I opened this store here and in carrying out the plans we had we find that the people are coming more and more to appreciate what we offer."

Mr. Lester, an expert on plant life, insecticides and in the science of growth and development, saw the need for such a store and service here and as his business grew with better understanding on the part of growers, he has added items.

One of the things that has made this store so successful is the fact that Mr. Lester keeps in constant touch with experiment stations and passes along all the latest facts and information to growers. He not only sells the very best in seeds, he passes along the knowledge he has gained in their proper planting, cultivation, etc., and with the growth of use of insecticides Mr. Lester, an expert in their use, has become an indispensable factor of aid to farmers, home gardeners, flower producers and live stock men. Then there is the fertilizer which no modern, successful producer can do without. In this he is also an expert.

Mr. Lester is a war veteran, serving in the Army Air Corps. He enlisted as a volunteer on January 26, 1942, serving at various points and always with increased responsibility. Before he entered service he was well known here as a traveling representative of a well known packing company.

He married Miss Lillian Mondrik of Cameron and after he was honorably discharged with a job well done in the Air Corps he came back to Cameron and entered business. The city and the territory has greatly profited by his business here.

PRESBYTERIAN PASTOR GOING TO LIVINGSTON

E. O. Harrell, minister at First Presbyterian Church in Cameron, tendered his resignation at a meeting of the church board Sunday afternoon.

Mr. Harrell will go to Livingston, Texas, in Polk county, where he will become pastor of the church.

It was not known how long he will remain in Cameron but is understood to have asked for release as soon as possible to take up his new work at Livingston.

Mr. and Mrs. Harrell have been in Cameron for about 2 years and the church has made considerable progress. Shortly after he became minister at the church here they were married and Mrs. Harrell came as a bride to the work in Cameron. She was reared in Bermuda in the West Indies. Mr. Harrell is a native Texan.

Citizens Here Thanked For Contributions To Battleship Texas Fund

Citizens of Cameron, the Rotary Club and the American Legion, received words of thanks and praise Friday from Lloyd Gregory, Chairman and Allan H. King, Treasurer, at Houston for the Battleship Texas Fund contribution of \$122.50.

J. B. White, publisher, received a message reading as follows: "The Battleship Texas Commission gratefully acknowledges your contribution to the fund being raised to bring the gallant vessel to Texas and anchoring it permanently near the San Jacinto Battlegrounds. The message is directed to the citizens who gave, to the American Legion and Rotary Club."

Rotarians Hear Guard Appeal; See Films On Rendova Battle

Captain Rudolph Michalka, commanding the local unit of the National Guard, an artillery unit, gave the program at Rotary Wednesday.

Sgt. Guess of the army, a veteran of many campaigns, brought along a film just released for public showing. It is a signal corps account of the fierce battle on Rendova in the New Georgia Islands.

The Marines pioneered amphibious landings in the Pacific in 1942 against the Japs.

Capt. Michalka pointed out the advantages of Guard enlistments and appealed to the business men to lend their aid in the recruiting campaign, which will end in November. The Cameron unit quota is only 16 men and already half of that number has been recruited.

Past Commanders Of Legion Breakfast In Rockdale November 11

Past Commanders of Legion Posts in Milam county will meet in Rockdale at 7:45 a. m. on Tuesday, November 11 for their annual breakfast.

Commanders of Legion Posts and Veterans of Foreign Wars are urged to attend. This breakfast is an annual event on Armistice Day and the Commanders rotate the cities and places of meeting.

Two Enter Pleas Of Guilt In Tire Theft

Two men have entered pleas of guilt in county court and have each been fined \$100 and in addition must serve 30 days in Jail. They are Bernice Williams and Freeman Weddle.

The men were arrested by Sheriff Carl Black last week and charged with illegal conversion of merchandise and possession of stolen merchandise. The case involved two auto tires worth about \$20 and taken from Hudson Service Station by Williams who was employed there.

The tires were recovered in the room of Weddle.

Dr. S. R. Cotton, Chiropractor, who has been ill and away from his practice for several weeks is greatly improved and is back on duty at his clinic. Dr. Cotton was operated upon in Temple recently.

ARMISTICE DAY PROGRAM

EDWIN HARDY POST IS ARRANGING PROGRAM

Plans for the observance of November 11 and the annual American Legion Dinner on that date, have been completed.

Final details for the observance were made at the meeting of Veterans at the Legion Hut Tuesday night at which time Commander Jack DuBois announced the program for the day.

All business houses in the city are requested to fly their flags. In a recent vote the merchants here named November 11 as one of the dates they preferred to close and will be closed on next Tuesday.

The annual Poppy Sale will be held on Saturday, November 8, proceeds for the rehabilitation of disabled veterans and their families.

On Sunday, November 9 veterans are requested to meet at the Cameron Hotel at 10:30 a. m. They will march in a body to the Methodist Church to hear Rev. Lee Lemons deliver a special message honoring the War Dead who are being returned for burial.

Tuesday noon, November 11 at Yoe High School gymnasium the 29th annual Dinner will be served with the following program:

Jack DuBois, Commander, Edwin Hardy Post No. 9, the American Legion, master of ceremonies. Invocation, Rev. George J. Duda; Turkey Dinner with all the trimmings served by the Auxiliary of the Veterans of Foreign Wars; Special music; Introduction of Special Guests by Commander DuBois; Address, Hon. Paul H. Brown, Secretary of State, introduced by W. A. Morrison, Commander of the Veterans of Foreign Wars; One minute of Silent Prayer; Benediction Rev. E. O. Harrell.

EIGHT INJURED IN CRASH OF FUNERAL CAR WED.

HEARNE, Oct. 29—Eight persons were injured early Wednesday afternoon when a car carrying six persons to the burial services of the driver's infant son were in collision with another vehicle about five miles south of Hearne on Highway 6. The body of the infant was in the car.

Joe B. Wilson, father of the infant, and the five passengers in his car sustained severe cuts and bruises, but went on to Gause, where the infant was to be buried, following treatment at the Hearne clinic. Other occupants of the car were Mr. and Mrs. B. D. Wilson, H. R. McCool, N. D. Anderson, and Florence Anderson, all of Houston.

Miss Alma Moore and Richard Moore of College Station were occupants of the other car. Miss Moore suffered serious head injuries and along with Moore, was taken to Bryan Hospital for treatment.

NATIONAL GUARD UNIT IS MAKING PROGRESS

COL. HARRY C. BROWNE PLEASED AT PROGRESS

Battery C, 239th Field Artillery Battalion reached approximately two-thirds of its quota in the National Guard's recruiting campaign with the enlistment of two more men recently, Captain Rudolph Michalka informed the Herald today. Harold Taegle enlisted two weeks ago, and Jessie Eaton was sworn in on last Monday evening during the drill period at the armory.

Colonel Harrison C. Browne, the Central Texas recruiting supervisor, while in Cameron last week said he was well pleased with the progress Battery C was making in its recruiting campaign. He also expressed his appreciation of the fine newspaper co-operation that the National Guard has been receiving here.

Col. Browne called attention to a

YOEMEN TITLE HOPES HIGH

HOMECOMING HERE NOVEMBER 26

PERMITS TOTAL IS \$18,370

TOTAL FOR PAST THREE MONTHS HERE \$53,000

Building permits in the city of Cameron for October totaled \$18,370 according to the records of W. H. Stafford, City Secretary and Treasurer.

Mr. Stafford compiles these figures for publication each month and the developments are of prime interest to the people who now know the tempo of progress being made in this city.

Permits for August, September and October totaled \$53,000 it was disclosed.

The October permits call for considerable new construction but repairs and additions are also included in the totals.

The city council enacted an ordinance requiring permits in early 1946 and this legislation enables the office of the Secretary to keep an accurate tab on the values of property for taxing purposes as well as compelling types of construction required under the new fire ordinance.

Building in Cameron has been commensurate with material supplies and will increase as more material is made available and price levels on material and labor come down to enable many home builders to invest.

WIN OVER BELTON IS ALL THEY NEED NOW

Title hopes were running high around the Yoemen stadium and gym Wednesday as Coach Leo Jackson pulled up a bit on hard work and started polishing his charges off for the kill Friday night.

The Yoemen of 1947 is just about the best team the school has ever had. The only exception might be in the back field. But the 1947 team can do anything they want to do. They can win easily and have done so with two exceptions this year.

Inside information is that they are in fine fettle. The two weeks of rest has just about made a new ball club of them. They are going back up and will be fit as a fiddle Friday night.

Sports writers are doing a bit of ranking of the teams in central Texas these days. In Class A Cameron is in the No. 1 spot and Mexia is in the No. 2 position. These two teams will undoubtedly meet for the regional title.

But the Yoemen are not playing a regional game this week. They are not playing a bi-district game for (turn to page six)

Washington and Hollywood

Concerning the current investigation of Communism in Hollywood by a congressional committee: Look who's talking!

Communism did not come into this country by way of Hollywood. Its port of entry was Washington, D. C., and chickens which were hatched along the banks of the Potomac are now coming to roost in the cinema capital on the West Coast.

Beginning in 1933, Congress—a committee of which is now alarmed at the spread of Communism in this country—devoted its collective thought and energy to passing Soviet-inspired measures just as fast as Mr. Roosevelt's brain trusters could prepare them and feed them into the hopper.

It was Congress which put into operation Mr. Stalin's program of redistributing wealth and which set up the worker as a superior being with rights above and beyond those of employers, providing us with the spectacle of heads of business concerns being pitched out into the street on demands of labor union gangsters.

It was Congress which wrote into law the Communistic concept that government owes the citizen a living and that it is the responsibility of the state to support those who are unable, or unwilling, to work.

It was Congress which framed our present tax law that, in some cases, take all but 4 per cent of a citizen's income while he is living and picks the pockets of his shroud at death in order to support hundreds of thousands of human parasites in comfort and luxury as they plan the overthrow of our form of government.

Those of us who observe, and mentally record, contemporary political history would like to see the cleansing process begin at the fountain head of corruption through the passage of legislation repealing Communistic statutes which a servile Congress fell all over itself to enact, and the substitution of those embodying fundamental American principles.

YOE GRADUATES WILL BE HERE FOR PROGRAM

Good news came late Friday when Hilliard Thomas of the Citizens National Bank, and President of the Yoe Graduates Association, announced that the annual home-coming will be held on Wednesday, November 26.

Mr. Thomas has entered wholeheartedly into the plans for staging the big even and calls upon the citizens generally to lend their aid to make this the greatest of the celebrations.

Mr. Thomas said that registration will begin at 2 p. m. and the business meeting will be held at 3 p. m. The reception will be directed by members of the Senior Class at Yoe High School and this portion of the program will be from 4 to 5:30 p. m.

Following the reception will come one of the most enjoyable portions of the program when individual class members will gather for their own reunions which are a part of the annual gathering of the former students. The individual class reunions will be held beginning at 6 p. m. and will continue through 7:30 p. m.

At 8 o'clock the former graduates will attend the football game between Gatesville and Cameron on Yoemen field and following the game a dance will be held in the gymnasium.

Last year some 300 former students and graduates of Yoe High met for the second of the reunions. To give the 1947 plans every opportunity to succeed even better, Mr. Thomas has called a meeting of all the Class Secretaries for Monday night, November 3 at Yoe High School and there they will discuss means of communication with former students and advise them of the date of the reunion.

Reunion of former graduates is a red letter day in the year round program of activities here. Additional information on developments will be released from time to time by Mr. Thomas.

BEER IS VOTED OUT IN BELTON 234 MAJORITY

BELTON, Nov. 4—By a majority of 234 and under a heavy vote, the sale of beer in the Belton precinct was voted out today.

A total of 1,366 voters of Precinct 1 visited the polls and 800 of them cast ballots to prohibit beer sales while only 566 voted to continue sales.

The election on the question of prohibiting the sale of beer containing alcohol not exceeding four per centum by weight was carried after the county commissioner's court received a petition requesting the election signed by more than the number of voters required by law.

It is the duty of the Jury Commission to name members of the Grand Jury to meet in November and also petit jurors for the coming term of court.

FARMERS TALK PRICES AND SOIL CONSERVATION

TEMPLE, Nov. 1—The House Agriculture Committee heard here today in no uncertain terms what is on the minds of Southwestern farmers and ranchers—prices and conservation.

Each of the 27 speakers heard in the morning session brought out those two points.

More than 70 farmers and ranchers were scheduled to be heard by the committee during the all-day hearing, the only one west of the Mississippi and south of Kansas City.

Speakers agree that if farm prices are right most of agriculture's other prices will straighten themselves out.

Most of the farmers held out for 100 per cent parity and testified they wouldn't resent some manner of crop control.

They all urged that soil conservation be broadened, and stressed that they want it controlled by farmers themselves who are elected and not appointed.

One speaker pointed out that the present soil conservation program is good but doesn't go far enough.

"There are too many heads in soil conservation," he shouted. "We need co-ordination. If we would fire half to them and put the other half to work everything would be fine."

But it was Mrs. Henry Brown of Route 2, Killeen, a trim woman in a flowered hat, who brought down the

house.

Emphasizing "equal rights," the fiery Mrs. Brown drew a parallel between the hardships of the tenant farmer and the "luxury" of City dwellers.

She attacked the Rural Electrification Administration, demanded "what good is it if you can't afford it?"

She pointed out that millions have been spent telling farmers how to improve the land—"It's so much hot air," she snapped. "What good is it to know when you can't pay for it?"

"Farm machinery is a blessing sent by God to till the land," she said quaveringly, "but the Devil has put such a high price on it that we can't buy it."

Two Charged In Tire Deal; Unusual Case

Although the case involves a misdemeanor and the value of the tire around \$24.00 two men are facing charges.

Bernice Williams, employed at the Hudson Service Station, and who had legal possession of the property has been charged with wrongful conversion of the same. It is alleged, according to County Attorney Morrison that Williams turned two tires over to Freeman Weddell who concealed them in his home until they were found by officers.

Both men were jailed and Weddell has been charged with receiving illegally converted merchandise.

Minnie Vybiral And L. Hertenberger Are Married October 19

The marriage of Miss Minnie Vybiral, daughter of Mr. and Mrs. Ben Vybiral, and Lawrence J. Hertenberger, son of Mr. and Mrs. Rudolph Hertenberger was solemnized Sunday, October 19, 1947 at 11:45 in the morning at the St. Monica Catholic Church in Cameron. Rev. George Duda read the impressive double ring ceremony.

The bride was given in marriage by her father. She wore a wedding gown of white heavy slipper satin, classic in design, styled with a sweetheart neckline, tight bodice with tiny covered buttons down the back and tight fitted sleeves which extended in a point over the wrist. The skirt was gathered and rounded into a full court train. Her finger tip veil of bridal illusion was edged with Alencon lace and fell from a tiara embroidered with tiny beads. She carried a bouquet of pink and white roses showered with pink and white satin streamers. For something borrowed she wore a single strand of pearls belonging to her sister.

Maid of Honor was Miss Irene Vybiral, sister of the bride, who wore a gown of soft blue marquette. The bridesmaids, Miss Mary Ruth Tucker wore a gown of light yellow taffeta with net, and Miss Joyce Rosenberg wore a gown of pink taffeta. They had shoulder corsages of carnations in colors matching their gowns.

J. B. Hertenberger, brother of the groom served as best man. Bennie Vybiral and Antone Vybiral were groomsmen.

The mother of the bride, Mrs. Ben Vybiral wore black with a corsage of white carnations, and Mrs. Rudolph Hertenberger, mother of the groom was dressed in grey with a corsage of white carnations.

Following the ceremony a reception honoring the couple was held at the home of the brides parents. The white linen covered table held the three tiered wedding cake topped with a miniature bride and groom. A delicious barbecue luncheon was served to the eighty guests present.

A dance at the S. P. J. S. T. Hall at Buckholts was held that night honoring the couple. Music was furnished by Motl's Melodians from Temple.

The bride is a 1945 graduate of Cameron Yoe High School and has been employed with Studer's Jewelers in Waco for the past two years. Mr. Hertenberger is a veteran of World War II serving fifteen months, nine of which were Foreign service in the Army of Occupation in Germany.

Georgia Gillis was honored with a Hallowe'en party on her fourth birthday Friday afternoon at the home of her grandmother, Mrs. Graham Gillis. Mrs. Billy Gillis, mother of the honoree, assisted in entertaining and serving.

Ghost dolls, made of marshmallows and jack o' lanterns were used for favors. Cake and cookies, decorated with cats and pumpkins of icing were served with ice cream.

Mrs. R. L. Batte, Sr. Hostess to SS Class

Mrs. R. L. Batte, Sr. was hostess to the Mollie Moore Class recently, when she entertained with a party at "Quarter Rest".

Beautiful roses, zennias and queens wreath were used for decorations with the illumination of colored lights.

Games of 32 were enjoyed by approximately fifty-five guests.

A delicious refreshment of a salad plate, ice cream, cake and candies were served.

Sixth Grade Gives Flag Program Here

On Wednesday morning, October 22, the sixth grade presented the assembly program for the Ada Henderson school. During the previous weeks the various home rooms had used their activity periods for a study of the history and meaning of the United States flag. This study was climaxed by the sixth grade's presentation of "The History of Our Flag" as a part of their program.

The now popular theme of Hallowe'en was next given consideration. After talks on the origin and meaning of Hallowe'en a clever pantomime, "Two Ghosts" concluded the program. Room teachers for the sixth grade are Mrs. Hicks and Miss Sproull.

TO WHOM IT MAY CONCERN:

We are glad to recommend to every family in this community good hospital and surgical plan in a good company which will surely be a wise step in family and home security. The insurance will not pay all the bill, but will make the load much lighter on the families who own this coverage.

This community will be more secure when all the people are able to receive hospital and surgical care, and we feel sure that any such plan will cover this need in a very satisfactory manner. This is the American way of life, offers to the individuals, a free choice of Doctors and Hospitals.

We are not indorsing any particular policy or company but we do recommend good and reliable hospitalization insurance wherever purchased.

Yours very truly,

TO WHOM IT MAY CONCERN:

We heartily recommend policies covering hospitalization, surgery and medical attention. This is a definite way in which medical and hospital expense can be covered in a regular budget, thereby avoiding the possibility of incurring a large debt because one of a family happens to have a long illness or severe accident. Of course these policies do not cover Xrays except in case of accident and do not cover medical expense unless the patient is hospitalized, but are very helpful to families of moderate means who might have the bad luck of illness requiring hospitalization or surgery.

Respectfully signed,

Stanley Walker, Renounces New York, Finds Simple Life Good In Lampassas Hills; Will Be Rotary Speaker Here Wednesday, November 5

By J. B. WHITE
(From the Daily)

When Stanley Walker, the author, left New York in mid-January 1946 for a place he remembered from boyhood in the hills near Lampassas, the foibles of Manhattan hoped he would starve.

At the time of his self imposed rustication he slammed the Big Town gentry pretty hard with a sizzling article in the Saturday Evening Post on "Why I Am Leaving New York." He called the old city a honky-tonk bedlam and in his own best withering style set them down with a lot of other pungency that got a belly laugh out of the yokels on the poverty slopes around his native heath.

Mr. Walker will be guest speaker at Rotary in Cameron Wednesday noon, November 5, coming here through invitation of Nat Wofford, an old friend.

For most writers who find their indices growing out in the hinterlands, Gotham is beyond the horizon. Those who achieve the fabulous canyons are big hit successes, but there is something more to be said for Walker, who not only conquered the Sidewalks of New York but renounced their lure to come back to the hills from which he sprang.

Measured in miles, more especially in experience, it is a long way from the Sidewalks of New York to the cedar veldt around Lampassas, if you consider it a retreat. Walker just about convinces everybody he has achieved something like Utopia. The simple life is best told in his latest Saturday Evening Post story "Look

What Happened to Me." Far from the pavement and the multifarious, everlasting pests of New York, it is twilight in the hills and the subdued tinkle of far off cowbells.

Walker was married shortly after reaching Texas and with his bride went straight to the ranch at Lampassas. What he found there makes a dismal word picture as he tells about his first year as a rancher and farmer. The house was something like you would find along Tobacco Road. "I knew that this forsaken paradise had fallen upon evil times," says Walker, "but I was hardly prepared for what we found." In a year they have transformed the place into a livable, profitable ranching enterprise. Right now Walker is battling the problems that arise when months pass without rain in the lime country.

Walker is geared high with four speeds forward as a worker, despite the implication of languor in his new found love and life. He manages to grind out books and magazine articles as prodigiously as Balzac.

Walker has just turned 49. He was born at Lampassas October 22, 1898. After the University years at Austin he became a reporter on the Dallas News. In the year 1919 he went to the old New York Herald. When the name of the paper was changed to the New York Herald-Tribune in 1924 he became editor and with the exception of short period as editor successively of the New York Mirror, the New Yorker and the Philadelphia Evening Ledger, he remained with the Herald-Tribune and still is an

editorial writer for that newspaper and in addition reviews a book each Sunday for their magazine section. He is the author of "Mrs. Astor's Horse," "City Editor," "Nightclub Era," and "Thomas E. Dewey, Man of The Century." In addition to these books he has written hundreds of magazine articles, like his current series in the Saturday Evening Post and is currently editor of the "Scene Magazine," published in Dallas.

When Mr. Walker arrives in Cameron around 11 a. m. next Wednesday he will be accompanied by Jack Adams, former Cameron boy who is postmaster at Lampassas.

FANS CAN GET RAILROAD SERVICE TO BALL GAME

A special train to the Cameron-Belton football game on Friday night, November 7 will be available if it can find local sponsors, it was disclosed by E. M. Lake, Traveling Passenger Agent of the Santa Fe who was here last week to confer with the Chamber of Commerce.

W. L. Smith, manager of the Chamber, said that if there was sufficient indication the fans want the train, he would undertake to set up a committee to handle the details.

So far as known nothing definite had shaped up on the proposal. In the old days fans chartered trains each year to the Belton and Caldwell games.

Now that demands for trains have lessened the Santa Fe can make available for football fans here any number of passenger cars necessary to carry them to the game.

Fans who think well of the proposal should indicate to the Chamber of Commerce they are interested. As yet there has been no definite arrangements but the train can be quickly chartered with a minimum of 300 tickets.

The fare will be low and the train would run on a schedule to get the fans to game at any time set by the committee, if a committee were named.

Definite Upset In Football Games Played Friday Night

Cameron's idle Yoemen got a beautiful Hallowe'en present from the inspired Rosebud Panthers last night as the Black Cats knocked the Killen Kangaroos out of the District 31-A running by holding them to a 6-6 tie in Rosebud.

Exhibiting a brilliant defense and clicking perfectly for one scoring drive, the Panthers held their foe at bay during most of the tilt to score their tie, which ranks as one of the major upsets of the year.

In a great offensive duel that kept spectators standing most of the game, the Belton Tigers and the Taylor Ducks ran each other all over the field and ended up in a 13-13 deadlock.

It was a rip-roaring affair from start to finish which saw the Tigers, who hadn't scored on Taylor in seven years, pile up a 13-6 margin through the third quarter and then blow the tilt as George Schultz smashed over from the 15-yard line and ran over the tying extra point.

August Gurecky Is Improved; Has Been Critically Ill Here

August K. Gurecky, cashier of the First National Bank, is now improving at St. Edwards Hospital following a very critical illness that caused his many friends several days of anxiety.

Mr. Gurecky suffered an attack of typhus fever and while in the hospital developed pneumonia and was gravely ill for several days.

Friends will be glad to know that he is greatly improved and may soon return to his home and eventually to his post of duty with the bank.

CITIZENS SHOULD NOW RESPOND LIBERALLY

With a few committees yet to report and based upon the assumption that citizens generally will respond liberally the goal for the Community Chest is in site, it was said Friday by Stanley Swift, campaign director.

Mr. Swift was preparing to leave for Dallas to witness the Texas-SMU game Saturday. He said that good co-operation has been notable in the 1947 chest drive and while the goal of \$4000 has not yet been attained the goal is in site. This optimistic report was based on the general trend of liberal giving by the people.

The Community Chest drive here is a part of a simultaneous Chest effort all over the nation. The Chest has been liberalized and expanded to include many worthwhile character building ventures and is a great aid to Boy Scout and Girl Scout work.

YOEMEN—

(continued from page one)
that matter. What they are doing is getting ready for Belton in Belton.

A win over the Tigers Friday night will clinch the title for the Yoemen. They are undefeated and untied and they could lose one game and still be champions. They have two more to play Belton and Rosebud and both games are away.

Coach Jackson has made some changes in the backfield largely because he is building up plays around two formations, one the T and the other the wing back. Fans can look for some sparkling performances Friday night. Jackson crossed up the Kangaroos some on October 24 by running from the wingback. They had just about digested all the old T formation plays and fought the Yoemen to a stand still.

When the team runs from the T Friday night John David Moseley will be in the full back spot. The backfield will be rounded out with Michalka, the man under, T. J. O'Neill and Jimmy Hawk. When the team changes to the wingback, Michalka will be in at full and as blocking back Jackson is calling on Muggo Garcia. In that backfield will be Hawk and O'Neill. It is no secret that Garcia is getting a big nod from the coaching staff.

Howard Beale who showed up so well in the early stages of the season, has not been in condition of late and may not see service against Belton. Fans are greatly disappointed over his failure to make the grade in the first string backfield in the last game and are hopeful he may reach his early season form soon.

Bob Holloway who has been ailing for some time with a bad knee and who is the first string right end, may be in the lineup Friday night. He has been working out regularly and looks in first rate shape. Joe Hawkins the left end and veteran of every game in two years, has been hurt. Few fans knew of his injury. He was kicked in the jaw and was in bad shape and Coach Jackson has a lot to be thankful for over these two weeks of rest for Joe for his headliner pass snatcher will be in Friday night.

Few fans knew that Lawrence Michalka got a cracked collar bone in the Burbank game and since sustained a wrist injury. But he kept right on going.

Most of the boys who face Belton Friday night are Seniors and it will be their last time to hit the Tigers. Jimmy O'Neill, Joe Hawkins, Charles Duncan, Charles Riola, Bob Holloway, Gene Salach and George Hollas, all out of the line, and about as good and tough set of linemen as ever wore the colors at Yoe High. It is going to be a big loss when they play their last game for Cameron.

Mr. and Mrs. R. O. Hughes of Navasota visited Mr. and Mrs. W. C. Allen recently. They are returning from a trip to California and many other points of interest.

WAR CRIMINALS—

acknowledgement. The others received their sentences without an outward display of emotion.

The court, headed by Judge Robert M. Toms of Detroit, described those convicted as "monsters of depravity" who had built a system of concentration camps and traded lives for loot.

It was Pohl and his underlings, the court said, who had built death camps, erected guard towers manned by troops who shot and killed on whimsy, supplied vicious dogs which ripped helpless people to shreds, and worked the inmates until they were fit only for extermination.

Sentenced to hang with Pohl were Maj. Gen. George Loerner, his second deputy; Col. Franz Eirenschmalz, and Maj. Karl Sommer.

Life sentences were given to Gen. August Frank, Pohl's first deputy; Col. Max Kiefer, and Col. Karl Mummenthey. Others sentences included:

Brig. Gen. Karl Fanslau, 25 years; Col. Hans Bobermin, 20 years; and Col. Erwin Tschentscher, Col. Herman Pook, Col. Hans Loerner, Col. Hans Henrich Baier, and Capt. Leo Volk, 10 years each.

Philip Ermis, son of Mrs. Frances Michna left Cameron on Sunday for San Diego, California where he will begin his duties with the United States Navy. Mr. Ermis enlisted in the Navy on Monday of last week.

Mr. and Mrs. J. M. Dodson, Sr. of Waco attended the funeral services of Mrs. Dodson's sister, Mrs. Adrian McCowen in Gause on Sunday. Services were held at the Baptist Church by Rev. C. W. Sanders, pastor of First Baptist Church at Hearne, and former pastor at First Baptist Church a Cameron. Interment was in the Gause cemetery with Phillip & Luckey making the arrangements.

Mr. and Mrs. Joe Sevcik, Mr. and Mrs. Joe Bartek and family spent Sunday with Mr. and Mrs. Charlie Tomek at Hood Village.

AUSTIN SPENDING SPREE
SKYROCKETS OVERHEADS

A battle over State spending is shaping up as the biggest problem that will confront the next Legislature when it convenes in January, 1949, according to the Texas Research Institute.

The Legislature will either have to cut expenditures or levy additional taxes, declares a report issued this week by the Institute, a statistical agency sponsored by the South Texas Chamber of Commerce.

"The State Government is taking in more money than ever before," says the report. "But it also is spending far more than ever before. The last Legislature appropriated all the money certified by the Comptroller as available, including an accumulated surplus of \$52,000,000. A much smaller surplus will be available when the next Legislature convenes. The difference will have to be raised by more taxes unless the lawmakers reduce expenditures."

State Government cost increased 34 per cent in the fiscal year ended last Aug. 31 over the preceding fiscal period to reach a total of \$319,988,101 the Institute reported. It was the biggest year-to-year gain in history.

"This expenditure will be overshadowed, however, by the anticipated expenditure of more than \$450,000,000 for each year of the present biennium," the report added. "Demands for still more spending may be expected in the next Legislature. Higher taxes will be difficult to avoid unless Texans alarmed by the prospect make their voices heard between now and January, 1949."

CHURCHES TO ORGANIZE FOR EUROPEAN RELIEF

A new world movement known as Community Day will be observed at First Presbyterian Church in Cameron Friday, November 7, it has been announced by Mrs. E. O. Harrell who has taken the lead in promoting co-operation here.

All church women in Cameron are invited to attend the meeting scheduled for 2 p. m. at the church.

The object currently is to collect bundles and boxes for children in Europe from 6 to 12 years of age, important in its relation to the need of European areas where starvation and need are acute.

The slogan of The United Council of Church Women is "The World is My Community" and is being sponsored by the churches of America. Bundles of clothing, food and cash donations will be taken for overseas.

Following the service a local council of church women will be organized and officers elected.

Relief supplies collected here will be shipped at once to a concentration point for overseas destination.

H D COUNCIL MEETS IN CITY WEDNESDAY

The Milam County Home Demonstration Council met Wednesday October 22, in the district court room in Cameron.

All council officers were present. There were 8 delegates, 6 visitors and Miss Crowder, District Agent, College Station present.

Reports of the State T. H. D. A. Convention, which met in Galveston, September 24, 25, and 26 were given by the delegates.

Mrs. Hugh Wimberly reported on recreation.

An election of council officers was held and all present officers were re-elected with the exception of chairman, Mrs. Jim Hauk, who will be succeeded by Mrs. F. R. Doss.

GETTING READY FOR BIG SHOW

A pretty aerialist is assisted by a clown as both prepare for their parts in the two-hour performance of Dailey Bros. Five-Ring Railroad Circus in the "backwards" of the showgrounds. The circus, one of America's largest

shows traveling aboard its own special railroad train, presents performances at 3 and 8 P. M. at Allen Field on East Third Street in Cameron, Thursday, November 13.

TICKETS ON SALE NOW FOR PROGRAM IN CITY

The American Legion, Edwin Hardy Post No. 9 has its November 11 program well advanced and tickets are now on sale for the dinner.

O. B. Horstmann, veteran member of the post, has had the tickets out for several days and many are buying. Late Wednesday Jack DuBois, adjutant of the Post and Ed. Manning placed orders, for placards for the dance to be held at National Hall on November 11.

The program here will take the usual course with the big turkey dinner at noon at the high school gymnasium. Paul Brown, Secretary of State will deliver the address.

The first Legion dinner, then called Armistice Day Dinner, was given here about 28 years ago and was free to all ex-service men. Since the end of World War II the Armistice term has been dropped for there was no armistice then and many of the Legion members are veterans of the late war.

Any additional information will be forthcoming from the committees. Music for the dance will be made by the Moonlight Serenaders.

Church Leader Will Be At Tent Revival In Cameron To-Night

Rev. J. O. Savell, district superintendent of the Assemblies of God, will be at the First Assembly of God church tent services at 7:30 to-night.

Rev. A. C. Bates, District Home Mission secretary and Rev. M. C. Rutherford, Sectional Presbyter will also be in the services.

Interest and attendance at the tent has been growing for the past several weeks. It will be necessary to use the tent for some time and gas has been piped for heat.

Plans for the new church are developing. The department of architecture at A&M College is making these plans a problem in the class of 80 students, according to Fred D. Smith, pastor, who recently took up the work here.

The public is invited to attend the tent services to-night. The tent is located one block north of the hospital.

Business Women Here Attend Conference

The following members of the Business & Professional Women's Club of Cameron attended the meeting of the District Conference, Number 6, held at Bryan: Edith Starnes, president of the local club, K. K. Robbins, Lottie Bigbee, Lillian Atkinson, Harriett Heath, Mary Randolph, Ezelle Johnson, and Joy Rice.

The state president, Marguerite Anderson presided at the meeting. A full day of entertainment was provided, including a delicious luncheon and dinner served at Maggie Parker Club.

FORMER AMBASSADOR ENDS LIFE MONDAY

CONCORD, N. H., Nov. 3—John G. Winant, former ambassador to the court of St. James, committed suicide tonight by shooting himself in the head, Dr. Clarence E. Butterfield, medical referee, reported tonight. Winant was 58.

He was alone in his home, with his private secretary and maid, when he shot himself in the right temple with a .32 calibre Belgian automatic pistol, the doctor said.

His private secretary, Miss Irene Mason, a native of England, said neither she nor the maid, Miss Orol Maers, heard the shot but were aroused by the thump of his body in an upstairs bedroom.

They ran to the upper room and found the former ambassador slumped to the floor.

They said they called Winant's personal adviser, J. Bernard Teulon, of Concord, who, in turn, notified police.

Stanley Walker, The Writer, Will Give Program At Rotary

Stanley Walker, writer, will be guest speaker at the Rotary Club Wednesday, November 5.

Nat Wofford, old friend of the author, will be program chairman for the day.

Mr. Walker after 25 years in New York, bought a ranch near Lampasas where he was born and has settled down to the simple life.

He has written a number of books and hundreds of magazine and newspaper articles.

COMPRESS RECEIPTS TO FRIDAY 32,983 BALES

A total of 14,600 bales of locally ginned cotton had been processed at the Cameron Compress Company up to noon Friday, it was reported by P. W. Davis, manager.

The compress had received and processed for shipping a grand total of 32,983 bales but most of this was shipped or trucked in cotton. The 14,600 bales classified as local cotton came from Cameron gins, and yards and from gins in this neighborhood.

The crop is substantially harvested. Keen speculation has been indulged by cotton factors here on the possible number of bales in Milam county in 1947. Some guesses is a high as 30 thousand bales. The figure is more apt to be from 25 to 27 thousand bales.

It is the first time in years that a cotton crop has been anything like representative of this section.

Mr. and Mrs. Odous Tindall of San Antonio and Mr. and Mrs. Louis Posey and son of Waco spent the week end with their parents, Mr. and Mrs. H. C. Tindall of Cameron.

Lubbock Has Low Of 27 Sunday Morning

Killing frosts hit a wide section of the Panhandle early Sunday morning but minimum temperatures over the state generally were in the low 50s.

Lubbock reported a minimum of 27 degrees and Amarillo 29. Abilene's minimum was 47, Brownsville 55, Houston 52, Tyler and Dallas 54.

Maximums Sunday generally were in the 60s except along the coast and the Mexican border, where they were in the 70s. Presidio reported the top maximum at 81 degrees.

Only rainfall was a trace at Texarkana.

Forecast for Monday was for slightly warmer weather with temperatures again dropping late Monday and early Tuesday. Widely scattered showers were predicted.

DRAWS HEAVY FINE

Percy Lee Bennett, negro, charged with a knife attack on Charles Mainner, another negro here Sunday night in Frog Town, was fined \$100 and costs in county court here Monday.

Edwin Dusek of Southwestern College, Georgetown spent the week end with his parents in Cameron.

British Ingratitude

The Chronicle suggested, at the time the \$3,750,000,000 credit to the British was being considered, that international loans bred enmity rather than friendship. It hardly expected to find substantiation of that belief so soon.

Approval of the loan is only a little more than a year past. The borrowers have, in fact, not yet drawn down quite all of the money, although they have used it up three times as fast as it was said they would.

Already we find such expressions coming from England:

The London Economist: "The loan is not Britain's worry but America's. When the time comes (for payment) all the debtor has to do is to insist on offering goods, not gold or capital or territory and the creditor will ask for a moratorium."

The New Statesman and Nation: "President Truman fiddles with ineffectual schemes to persuade America to eat less" but "famine waits for no man's pleasure—not even that of the congressional committees whose members have been surveying Europe with critical eyes."

The Spectator: "There is every danger that the whole question will be carried forward into 1948 which is the political year. For America to attach political or economic conditions of any kind to whatever assistance she may extend to this country and others would be altogether improper."

These are certainly not friendly remarks. They indicate no feeling of gratitude for the \$3,750,000,000 recently granted or the other billions that were advanced either directly or under lend lease during the war. They are unfriendly expressions of the sort made by those who hate the persons to whom they are addressed, the people who have helped them more than once.

Winston Churchill—one of the few Englishmen to speak in appreciation of the aid which we have given—reminded the English not long ago that the dollars for which they clamored represented the fruit of the toil of millions of American workers. This fact our debtors are prone to forget. They would do well to remember it.—Houston Chronicle.

Mr. and Mrs. J. W. Harris and children Billie and Patsy of Marquez, Mr. and Mrs. Geo. Gamble and Doris of Sharpe and Mrs. Walter Harris and Verna of Cameron enjoyed a dinner with Mr. and Mrs. Vernie Miller of Belmena last Sunday in celebration of Mrs. Williams birthday.

Mrs. Walter Hildebrand and children of Houston spent the week end with her parents Mr. and Mrs. R. L. Storey.

CATTLE GRUB TOLL IS HEAVY IN MILAM CO.

The damage to cattle in Milam County from the cattle grub will amount to thousands of dollars each year, states J. W. Stufflebeme, Jr., County Agent. This insect will infest at least 90 per cent of the cattle population, and the loss in weight and milk flow is tremendous.

Records from the leading packing companies reveal that grubby cattle are discounted an average of \$3.85 per animal; an average of two pounds of meat per grubby animal destroyed, and experiment stations records show that approximately 15 per cent more feed is required for grubby cattle. The reduction in milk flow is 25 per cent during the grub season.

The first treatment for cattle grub control should be given in the fall of the year when grubs are mature and ready to drop to the ground. Mature grubs are dark brown to black. This time usually occurs during October in Milam County, and two additional treatments should be made at 30 day intervals.

For control, dust the back of animals with equal parts by weight of cube or Derris powder (5 per cent rotenone) and wettable sulphur. A fruit jar with 15 holes in the lid one-fourth inch in diameter is best for applying dust. Rub dust into hair with finger tips. The insect also can be controlled by spraying or dipping. Spray the backs of animals with one-half gallon per animal or seven and one-half pounds of 5 per cent rotenone per hundred gallons of water. A

Square Biscuits, Yet!

I see by a neighboring paper, that the round biscuit is on the way out. Yes, sir, home-management specialists have found that the square biscuit lends itself to assembly-line production and easy storage better than those customary ovals.

Well, we're all for progress, but that's one new idea we just don't cotton to. A round biscuit, spread nicely amidst with snappy country cheese, looks like a biscuit! And accompanied by a mellow glass of beer, it's a combination that you can't improve on!

So at the risk of being called old-fashioned, I'm voting for round biscuits, that fit a hungry man's mouth like no square imitation ever will ... and for American beer served in the good old-fashioned way, in tall, cool mugs of ordinary glasses, with frosty sides and bubbles winking at the brim!

Think I'll step out to the kitchen for a snack right now!

CHRISTMAS

just 6 weeks away

What, so soon? Yes, Christmas is but a matter of weeks away. TIME has a habit of "marching on" but the important thing to remember is that Christmas is close at hand and there are many responsibilities involved.

Shopping is the least of these but here is where the merchant comes in and also where advertising can be best applied. Let's get ready now, prepare for early shopping and let's give the local retail market the best send off in years.

Have you got the goods? Then, let's tell the folks about the Cameron market during the holidays. Let's have a good, old fashioned Christmas with good cheer and gifts again.

The War years are behind us. There's money to spend a plenty, and advertising will set up the scoring play.

"Over 11 Thousand Combined Weekly Circulation"

"Forever Amber," Most Talked Of Picture In Hollywood History, Comes to Cameron Theatre Screen Tuesday and Wednesday, November 11-12

With the opening November 11 at the Cameron Theatre of Twentieth Century-Fox's Technicolor filmization of "Forever Amber," the most widely discussed motion picture project in recent years reaches screen fulfillment. Never, in the history of the industry, has any film provoked such excited speculation and interest among all categories of moviegoers as well as among critics and leaders in the literary world itself.

Kathleen Winsor's story of a country girl in the 17th century who became the most talked-about woman in the brilliant court of King Charles II is easily one of the most provocative novels to be published in this generation. It swept the nation to mark up the most sensational best-selling record of all time; eighty million people in the United States have already read the book, and it has been translated into half the languages of the globe. But in Hollywood, movie producers, though impressed with its potent box-office appeal, were, nevertheless, frozen into excruciating indecision by frightening doubts as to how to handle this

challenging material on the screen.

With the same foresight and courage he had shown with "The Grapes of Wrath" and "How Green Was My Valley" Darryl F. Zanuck, Twentieth Century-Fox's production chief, put the machinery in motion for obtaining the film rights to "Forever Amber." Zanuck assigned William Perlberg of "State Fair" fame to produce the picture with Otto Preminger, noted director of "Laura," as this film's director. Thus the stage was set for one of the most difficult filming problems any Hollywood studio ever approached.

Greatest public interest centered around the choice of an actress to play "Amber," and after virtually every actress in the United States and Great Britain had been considered, and many of them tested, the coveted role was awarded to Linda Darnell. Starting at 14 when she appeared opposite Tyrone Power, Linda's screen career almost bogged down in a rut of "sweet, nice girl" roles. She shocked audiences and zoomed again to stardom by becoming the wicked girl for "Summer Storm," "Hangover Square," "Fallen Angel," and "My Darling Clementine." The role of "Amber" required only that she bleach her dark tresses to an ash blonde.

From the very beginning, Twentieth Century-Fox knew that it wanted Conel Wilde to play Bruce Carlton, the dashing cavalier Amber loved all her life through thick and thin, fire and plague, and a dozen tempestuous affairs. In the brief span of years, beginning with his role of Chopin in "A Song to Remember," Wilde had become a top star with fan mail running into thousands of letters a week. When he started "Forever Amber," Hollywood had 17 million dollars' worth of pictures lined up for him.

Richard Greene's appearance as Lord Almsbury, Bruce Carlton's good friend, marks the six-foot-one actor's first American role in six years. Greene left Hollywood in 1940 to enter Sandhurst, England's West Point, and served in France, Holland and Belgium with the 27th Lancers, Royal Armoured Corps. He ended his army career as a captain. Lord Harry, as he puts it, is his first "non-dimmed," truly adult role.

The role of lusty and witty Charles II was a "natural" for George Sanders who, made up to resemble Sir Peter Lely's famous painting of the monarch, including curls and all, and given a \$100,000 palace set with 400 subjects, has the meatiest role of his career.

Glenn Langan, who has been fast moving up to stardom, took over the role of the dashing, handsome Captain Rex Morgan; Richard Hayden becomes a heavy for the first time as the Earl of Radcliffe, the man Amber married for his title and money; Jessica Tandy appears as Nan Britton, Amber's devoted maid; Anne Revere is the scheming Mother Red Cap of the Thieves Den; and John Russell appears as the comforting bandit, Black Jack Mallard.

Disabled Veterans May Vote Without Poll Tax Payment

Veterans who are forty per cent or more disabled as a result of service in any foreign war are not required to pay a poll tax as a requisite for voting in Texas, according to H. B. McClellan, Veteran County Service Officer.

An act of the 47th Legislature provides that "Every person who is a disabled veteran of a foreign war, where such disability is forty per cent or more, shall be entitled to vote without being required to pay a poll tax."

It is suggested by Mr. McClellan that a veteran entitled to claim this exemption, write to the Veterans Administration office which has his case file, requesting a statement of his degree of disability, and present it to the county or city assessor-collector of taxes when he renders and pays his taxes.

Frog Town Cutting Sends One to Hospital

A social event in Frog Town Sunday evening produced one patient for a hospital and jail for the other.

Charles Mainer, 17 year old negro was cut across the back and Percy Lee Bennett, another negro is in jail and charged with aggravated assault. The cutting occurred in front of a negro cafe.

Mainer was taken to Newton Memorial Hospital. His condition is not serious.

Constable B. F. Bailey made the arrest.

HORSES RETAINING CIRCUS ROLE IN MECHANIZED AGE

Tractors, heavy trucks and other motorized equipment may have replaced the horse in many activities with the circus but beautiful, excellently trained horses always will be as much a part of the show as the show itself.

With this in mind, Dailey Bros. Circus exhibiting at Allen Field on East Third Street in Cameron, Thursday, November 13, has this year arranged a horse fair which includes not one but many winners of blue ribbons in horse fairs both in the United States and other nations.

Under the capable direction of Miss Hazel King, acknowledged premier horsewoman of the circus world, the large group of Palomino horses appear in an outstanding routine which is a memorable part of the two-hour performance. Such widely known stallions as Black Diamond and Major are included in the spectacular performances under direction of Miss King.

The five-ring circus, one of the largest railroad shows touring the United States this season, will arrive early in the morning of show day and spectators are invited to witness the unloading and erection of the acres of tents during the morning.

Performances will be given at 3 and 8 p. m., doors opening an hour earlier to allow ample time for inspection of the large free menagerie of elephants, lions, tigers, zebras and other animals from the far corners of the earth.

The circus program features the Dailey Bros. heard of 10 elephants, directed by 14-year-old Norman Davenport; a wild animal act in which lions, tigers, bears and leopards appear in the same arena; sensational aerial acts; and many other features seen only with a large circus.

Bennie Bailey a student nurse at Scott and White hospital spent the week end with her mother, Mrs. Gus Plentl in Cameron.

Mr. and Mrs. Clyde Wilson of Gause were business visitors in Cameron Monday.

TWO WEEKS OF REST GOOD FOR YOEMEN

The Yoemen will take up the District 31-A title trail Friday night in Belton. They have had two weeks of rest and that will be good for them.

Belton and Taylor tied 14 to 13 in their game Friday night in Taylor. The Ducks are the most improved team in the conference. Rosebud too is coming along at a fast clip. They tied Killeen 6 to 6 in their game Friday night in Rosebud. The Kangaroos were due to win handsomely.

The tie in Taylor and Rosebud boosted the lead of the Cameron Yoemen who can now lose a game and still win the title. But there is no such thing in mind. Out at Yoemen field the boys are working hard getting ready for Belton Friday night.

Some talk has been indulged here for a special train to carry fans to the Belton game but so far as known no one has come forward to sponsor the train. It seemed entirely practical for a committee to be named, perhaps representing several civic organizations, to make a survey. If the required number of tickets could be pledged the train could be ordered.

"To My Sons Ernest and Bob"

You are so kind and good to me I'd never dreamed there'd ever be Others to fill the empty place left in my heart

When one died fighting to do his part.

Life moves along on leaden feet Yet God is good and memory sweet. The mothers of this world must see That hateful wars must never be.

And while we have these who are left We'll ne'er forget those cold in death. May God guard and bless you in boyhood joys

And keep you from cruel war, my blessed boys!

CHRISTIAN SCIENCE SERVICES

"Adam and Fallen Man" is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientist, on Sunday, November 9.

The Golden Text is: "Ye were sometimes darkness, but now are ye light in the Lord: walk as children of light" (Ephesians 5:8).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "The Lord will perfect that which concerneth me" (Psalms 138: 8).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "The great truth in the Science of being, that the real man was, is, and ever shall be perfect, is incontrovertible; for if man is the image, reflection, of God, he is neither inverted nor subverted, but upright and Godlike" (page 200).

Mrs. M. B. Shuffield, of Belmena who has been ill is improving and spent Sunday with her daughter in Cameron.

JOHN C. STENNIS WILL GO TO U. S. SENATE

Circuit Judge John C. Stennis, who soft-pedaled the race issue in his campaign, pulled into a narrow lead yesterday for the senate seat of the late Theodore G. Bilbo of Mississippi.

And in the border state of Kentucky, the Democrat trying for the Republican-occupied governor's chair pushed ahead in early returns.

The Mississippi senate and Kentucky gubernatorial races rated top national interest in scattered off-year elections.

In New York, a smattering of early returns gave the expected support for a \$400,000,000 bonus for veterans. And in New York City, first tabulations raised an 8 to 5 edge against keeping the present method of choosing city councilmen.

Rain held down the balloting in some parts of the east and north-east.

With the help of votes from his home county, Judge Stennis led five other candidates in the battle for the

Bilbo senate seat. Trailing him were U. S. Representative William Colmer, Paul B. Johnson, Jr., Forrest Jackson, U. S. Representative John E. Rankin, and the only Republican, L. R. Collins.

The Kentucky gubernatorial scrap saw U. S. Rep. Earle C. Clements, shove into an early lead over Republican Eldon S. Dummit. The present Republican governor, Simeon S. Willis, is ineligible for a second term in a row.

Clements increased his margin as the returns came in from Jefferson county (Louisville), which the GOP had claimed in advance. And he even led Dummit in the latter's own county, Fayette.

Kentucky's Republican National Committeeman Jouett Ross Todd read the incomplete unofficial tally as showing the state had gone Democratic by 40,000 votes. Before the election he had predicted the GOP would swing the state by 30,000 to 50,000.

Terry Moore of Gause made a business trip to Cameron Tuesday.

TEXANS SHOW FAITH IN VALIDITY STATE TITLE

AUSTIN, Nov. 4—Texas oilmen, in the greatest bidding spurge on mineral leases in State history, submitted 1,051 offers—totaling \$15,074,000—for submerged lands in the Gulf of Mexico and coastal bays in inlets.

As the bids were opened today, Land Commissioner Bascom Giles hailed the "heavy and competitive bidding" as proof of Texans' feelings on the nationwide controversy over "paramount right" to tidelands. The Supreme Court, in an action originated by the Department of Justice, held that "paramount right to the tidelands off California."

"Today's sale should certainly leave no doubt in the mind of U. S. Attorney General Tom Clark and other Federal officials as to just how Texans feel about this matter, Supreme Court rulings in the California case notwithstanding," he said.

The bids were presented on 2,465,324 acres of lands owned by the

State. Of the total, 1,989,840 acres were tidelands.

Superior and Pure Oil Companies presented the highest single bid in making a joint offer of 345,000 for 942 acres in Laguna Madre. The Superior-Pure Oil bid averaged \$366 per acre.

The second highest bid of \$224,726 was made by Stanolind Oil Co., for the land in the Gulf of Mexico.

The previous high mineral lease sale brought \$1,031,000 in bids on 45,000 acres in 1946.
